Re: MUR 6354

Dear Mr. Jordan:

Shortly before the financial report filing deadline I called the Federal Election Commission office to verify the whether I had to file a financial report. At the time, I explained that I had not received nor spent anything near \$5,000. The gentleman I spoke to said that I would get a letter from the F.E.C. asking why I did not file but he never explained nor gave an indication that it would be a problem.

And, he never said that it would be a formal complaint.

My intentions were never to violate a law. Hopefully to resolve the situation, I'm enclosing the necessary forms.

Thank you for your anticipated cooperation on this matter.

Sincerely,

Rolando A. Banciella
